

ADVENTURE BASED VOLUNTEERING

Volunteer e-trader

Brief:

To scour the internet looking for freebies and cheap items for members or for up-cycling and selling on.

Skills:

Basic computing
Organisational skills
Keeping records

Aim:

To enable the organisation's up-cycling unit to become sustainable, As the role develops the likely hood for a paid position may be possible.

- Identify needs and requirements of organisation and members
- Utilise sites like free-cycle, waste-nothing, etc to source useful and unwanted items
- Items to be up-cycled by our up-cycling unit
- Develop a range of up-cycled items to sell
- Utilise sites such as e-bay, gum tree etc to sell items

Time Commitment:

We would expect that the candidate would be able to meet the organisation's needs within one day per week, although as a developmental role we would be happy for an enthusiastic candidate to extend the time span in order to develop a paid role.

Interested candidates should contact Mark at Adventure Based Learning on 01457 871617
